# Media Coverage Report

5<sup>th</sup> April 2025

Submitted by: -

**THE PUBLICIST**  
Propelling Purposeful Perceptions

## Media Outreach by The Publicist

### Media Impact & Visibility

In a rapid and strategic outreach executed in under 24 hours, The Publicist successfully mobilized high-impact media engagement for the Bharat Siksha Summit 2025, ensuring the summit's voice echoed across national, regional, and digital platforms. With a strong focus on education, public policy, and governance, the outreach was precise, timely, and customized resulting in expansive, real-time visibility.

### Key Actions Executed:

- Strategic media mapping and rapid outreach across print, digital, and television verticals
- Tailored pitches and real-time media coordination for speaker bytes, agenda highlights, and summit outcomes
- On-ground facilitation for press coverage, interviews, and AV access
- Press release dissemination to news wires and top-tier education and policy journalists
- Post-event follow-ups and story amplification

### Media Coverage Snapshot

The summit was featured prominently across **print, digital, and television** platforms—bolstering its credibility and policy resonance.

#### *Key Media That Covered the Event:*

##### **Print & Digital Media:**

*Times Now, Hindustan Times, Business Today, The Print, The Week, Amar Ujala, Dainik Bhaskar, Kashmir Times, Daily Excelsior*

##### **News Wires & Syndicated Platforms:**

*PTI, UNI, ANI, IANS (including video wires and news bureaus)*

##### **Electronic Media & Broadcast Coverage:**

*Times Now, Network18, ANI (video), Sansad TV, Doordarshan (DD News), PTI Video*

***P.S.** This is the final version of the media impact report, superseding the version shared on 4th April 2025.*

## LG Sinha addresses Balaji Foundation's 'Bharat Shiksha Summit' at New Delhi

HIMALAYAN MAIL NEWS  
JAMMU, APR 03

Lieutenant Governor Shri Manoj Sinha today addressed 'Bharat Shiksha Summit' organised by Balaji Foundation at Vigyan Bhawan, New Delhi. Shri Brajesh Pathak, Deputy Chief Minister, Uttar Pradesh also graced the occasion.

In his keynote address, the Lieutenant Governor highlighted the importance of Ethics, Values and National Identity in education and pointed out that Ethics and Values, guides us for the welfare of society and nation-building.

He said the deliberations and exchange of ideas during the Summit on overarching issues in education will explore challenges and opportunities and prepare a future roadmap for educational institutions.

"In the educational journey, students develop consciousness and their moral values become sharper. During this journey, students adopt life values like compassion, peace, truth, love, virtuous life, harmony and benevolence and collect all the experiences. All these physical, intellectual and emotional experiences together develop student's knowledge" the Lieutenant Governor said.

He said the aim of National Education Policy 2020 is that students should become a living source of knowledge rather than a storehouse of memories obtained from books.

"National Education Policy promotes creative imagination, ethical values and a sense of determination to contribute towards building an equitable, in-

clusive and pluralistic society," he further added.

The Lieutenant Governor asked the educational institutions to focus on developing personalities that are perfect blend of compassion and innovation.

"Three 'H'- Head, Heart and Heritage- will help in this mission and they will also restore the broken moral link in the education system.

We need students who are proficient in algorithms, talented in their chosen field, sensitive towards social issues and also realise their duty towards nation building.

Our students should be a selfless individual as well as a skilled researcher, writer or artist, deeply connected to their roots. This perfect balance in personality could be transformative for students, educational institutions and the society," the Lieutenant Governor said.

The Lieutenant Governor emphasised that the teachers need to integrate moral values with skills needed in the modern world so that qualities like strong character and intellectual curiosity can be nurtured.

"Without unprecedented inventions, moral values

alone will have no value. But it is also true that without ethics and values, cutting-edge education and skills would be aimless.

There should be conversations and not monologues in the classroom. There is a need to link innovation and growth with the ethical values of the society and integrate them with the course curriculum," the Lieutenant Governor said.

The Lieutenant Governor further called for encouraging hands-on, experiential and project-based learning. The young minds should be exposed to challenges of the real world.

Now the time has come to take education out of the lab and into the real world, he said.

During an interactive session, the Lieutenant Governor also spoke on the educational reforms taking place in J&K, under the guidance of Hon'ble Prime Minister Shri Narendra Modi, in the past few years. He said the innovative programmes launched in the UT have ensured inclusive and quality education for all.

"The talent pool within Jammu Kashmir is being provided with better opportunities. Dedicated ef-

forts have been made to promote multidisciplinary learning, and skill development of youth.

We have also actively initiated campaigns to bring dropout students back to school. Through Mission Yuva, we have prepared a blueprint to foster entrepreneurship culture at college and university level.

Schools, colleges and universities are functioning without any disturbances. Earlier practice of hartals, strikes, stone pelting and bandhs are things of the past now. Today, J&K, with its full potential, is moving ahead towards a prosperous and brighter future," the Lieutenant Governor said.

On the occasion, the prominent personalities and institutions are also conferred with the Bharat Shiksha Samman for their valuable contribution in the field of education.

Shri Naveen Jindal, Member of Parliament; Dr Pankaj Mittal, Secretary General, Association of Indian Universities; Ms Rajshri Rai, Chairperson, Balaji

Foundation; educationists, experts, heads of various institutions, teachers and youth in large number were present.

सम्मेलन

विज्ञान भवन में बालाजी फाउंडेशन ने आयोजित किया एक दिवसीय भारत शिक्षा शिखर सम्मेलन 2025

## छात्र पहचानें भारत का समृद्ध शैक्षिक इतिहास : मनोज सिन्हा

नई दिल्ली। छात्र भारत के समृद्ध शैक्षिक इतिहास को पहचानें और उसका जश्न मनाएं। यह कहना है जम्मू और कश्मीर के उपराज्यपाल मनोज सिन्हा का। बृहस्पतिवार को विज्ञान भवन में बालाजी फाउंडेशन के तरफ से आयोजित एक दिवसीय भारत शिक्षा शिखर सम्मेलन 2025 में उपराज्यपाल ने यह बातें कही। इस दौरान उन्होंने कहा कि तक्षशिला से नालंदा तक हम हमेशा शिक्षा के क्षेत्र में अग्रणी रहे हैं।

राष्ट्रीय शिक्षा नीति (एनईपी) 2020 विषय पर आयोजित हुए सम्मेलन में उपराज्यपाल ने कहा कि

सम्मेलन में जम्मू-कश्मीर के उपराज्यपाल मनोज सिन्हा, यूपी के उपमुख्यमंत्री ब्रजेश पाठक और सांसद नवीन ज़िंदल। अमर उजाला

सरकार ने एनईपी लाकर शिक्षा की नीति में बदलाव किया। कक्षाओं में रटने की आदत से हटकर

रचनात्मकता और आलोचनात्मक सोच को बढ़ावा दिया। अब कक्षा में बातचीत, नवाचार और सहानुभूति

पर ध्यान केंद्रित किया जा रहा है। उन्होंने चरित्र निर्माण के लिए शिक्षा में नैतिक मूल्यों को शामिल करने के महत्व पर जोर दिया।

अपनी अंतरात्मा की आवाज सुनना ही काफी नहीं है, हमें अपनी क्षमता का एहसास करने के लिए कड़ी मेहनत करनी चाहिए। उन्होंने कहा कि भारत प्राचीन काल से ही शिक्षा का केंद्र रहा है। वहीं, यूपी के उपमुख्यमंत्री ब्रजेश पाठक ने कहा कि मातृभाषा में पढ़ाने से छात्रों को ज्ञान को बेहतर ढंग से समझने और बनाए रखने में मदद मिलती है, जो व्यक्तिगत विकास और राष्ट्रीय

विकास दोनों के लिए महत्वपूर्ण है। उन्होंने कहा कि यह नीति भविष्य की पीढ़ियों को नौकरी की तलाश करने के बजाय उन्हें नौकरी देने के लिए सशक्त बनाएगी। सांसद नवीन ज़िंदल ने कहा कि शिक्षा केवल नीतिगत प्राथमिकता नहीं होनी चाहिए-यह राष्ट्रीय प्रगति का मानक होनी चाहिए। आयोजन में बालाजी फाउंडेशन की अध्यक्ष राजश्री राय ने कहा कि शिक्षा विकास की आधारशिला है। आज छात्रों को यह समझना आवश्यक है कि शिक्षा नीतियां उनके भविष्य को आकार देने में महत्वपूर्ण भूमिका निभाएंगी। बहुरे

## J&K's educational reforms are setting new standards: LG Sinha

Says NEP promotes creativity, ethics, & social equity'

Education should shape students who contribute to society & nation building

'There should be conversations & not monologues in the classroom'

**Jammu, Apr 03:** Lieutenant Governor Manoj Sinha emphasised the importance of ethics, values, and national identity in education, highlighting how these principles guide us toward the welfare of society and nation-building. He encouraged educational institutions to focus on developing personalities that blend compassion and innovation.

He was addressing the 'Bharat Shiksha Summit' today, organized by the Balaji Foundation at Vigyan Bhawan, New Delhi. Brajesh Pathak, Deputy Chief Minister of Uttar Pradesh, also graced the occasion.

In his keynote address, the Lieutenant Governor stressed that the primary goal of the National Education Policy 2020 is to transform students into

active sources of knowledge rather than passive repositories of bookish information.

"The National Education Policy promotes creative imagination, ethical values, and a sense of determination to contribute to building an equitable, inclusive, and pluralistic society," he added.

He introduced the concept of the Three 'H's—Head, Heart, and Heritage—to support this mission and restore the moral foundation of the education system.

"We need students who are not only proficient in algorithms and talented in their chosen fields but also sensitive to social issues and deeply committed to nation-building," he said. "Our students should be selfless

### J&K's educational reforms

individuals, skilled researchers, writers, or artists, while staying connected to their roots. This perfect balance will transform students, educational institutions, and society as a whole."

The Lieutenant Governor noted that the discussions at the Summit on key issues in education would explore challenges and opportunities, ultimately preparing a roadmap for the future of educational institutions.

"In the educational journey, students develop consciousness, and their moral values become sharper," he remarked. "During this journey, students embrace life values such as compassion, peace, truth, love, harmony, and benevolence, gathering experiences that shape their knowledge. These physical, intellectual, and emotional experiences together foster a well-rounded education."

He further emphasized the crucial role of teachers in integrating moral values with the skills needed in the modern world, nurturing both strong character and intellectual curiosity.

"Without groundbreaking inventions, moral values alone are insufficient. But without ethics and values, cutting-edge education and skills would be directionless," the Lieutenant Governor explained. "Classrooms should be spaces for conversation, not monologues. Innovation and growth must be linked with ethical values and integrated into the curriculum."

The Lieutenant Governor also advocated for encouraging hands-on, experiential, and project-based learning, urging that young minds be exposed to real-world challenges. "It is time to take education out of the lab and into the real world," he asserted.

During an interactive session, the Lieutenant Governor highlighted the educational reforms taking place in Jammu and Kashmir under the guidance of Prime Minister Shri Narendra Modi over the past few years. He spoke about the innovative programs launched in the region to ensure inclusive and quality education for all.

"The talent pool in Jammu and Kashmir is now being provided better opportunities. Efforts have been made to promote multidisciplinary learning and skill development among youth," he said. "We've also initiated campaigns to bring dropout students back to school. Through Mission Yuva, we've created a blueprint to foster an entrepreneurial culture at the college and university levels."

He added, "Schools, colleges, and universities are functioning without disruption. The days of hartals, strikes, stone pelting, and bandhs are now a thing of the past. Jammu and Kashmir is moving forward with its full potential toward a brighter and more prosperous future."

On this occasion, several prominent personalities and institutions were conferred with the Bharat Shiksha Samman for their invaluable contributions to the field of education.

### Earlier practice of strikes,

He said the deliberations and exchange of ideas during the Summit on overarching issues in education will explore challenges and opportunities and prepare a future roadmap for educational institutions.

"In the educational journey, students develop consciousness and their moral values become sharper. During this journey, students adopt life values like compassion, peace, truth, love, virtuous life, harmony and benevolence and collect all the experiences. All these physical, intellectual and emotional experiences together develop student's knowledge" the Lieutenant Governor said.

He said the aim of National Education Policy 2020 is that students should become a living source of knowledge rather than a storehouse of memories obtained from books.

"National Education Policy promotes creative imagination, ethical values and a sense of determination to contribute towards building an equitable, inclusive and pluralistic society," he further added.

The Lieutenant Governor asked the educational institutions to focus on developing personalities that are a perfect blend of compassion and innovation.

"Three 'H'- Head, Heart and Heritage- will help in this mission and they will also restore the broken moral link in the education system.

We need students who are proficient in algorithms, talented in their chosen field, sensitive towards social issues and also realise their duty towards nation building.

Our students should be a selfless individual as well as a skilled researcher, writer or artist, deeply connected to their roots. This perfect balance in personality could be transformative for students, educational institutions and the society," the Lieutenant Governor said.

The Lieutenant Governor emphasised that the teachers need to integrate moral values with skills needed in the modern world so that qualities like strong character and intellectual curiosity can be nurtured.

"Without unprecedented inventions, moral values alone will have no value. But it is also true that without ethics and values, cutting-edge education and skills would be aimless.

There should be conversations and not monologues in the classroom. There is a need to link innovation and growth with the ethical values of the society and integrate them with the course curriculum," the Lieutenant Governor said.

The Lieutenant Governor further called for encouraging hands-on, experiential and project-based learning. The young minds should be exposed to challenges of the real world. Now the time has come to take education out of the lab and into the real world, he said.

During an interactive session, the Lieutenant Governor also spoke on the educational reforms taking place in J&K, under the guidance of Prime Minister Narendra Modi, in the past few years. He said the innovative programmes launched in the UT have ensured inclusive and quality education for all.

"The talent pool within Jammu Kashmir is being provided with better opportunities. Dedicated efforts have been made to promote multidisciplinary learning, and skill development of youth. We have also actively initiated campaigns to bring dropout students back to school. Through Mission Yuva, we have prepared a blueprint to foster entrepreneurship culture at college and university level.

Schools, colleges and universities are functioning without any disturbances. Earlier practice of hartals, strikes, stone pelting and bandhs are things of the past now. Today, J&K, with its full potential, is moving ahead towards a prosperous and brighter future," the Lieutenant Governor said.

On the occasion, the prominent personalities and institutions are also conferred with the Bharat Shiksha Samman for their valuable contribution in the field of education.

Naveen Jindal, Member of Parliament; Dr Pankaj Mittal, Secretary General, Association of Indian Universities; Rajshri Rai, Chairperson, Balaji Foundation; educationists, experts, heads of various institutions, teachers and youth in large number were present

# Earlier practice of strikes, stone pelting things of past now: LG

■ TNN BUREAU

**JAMMU:** Lieutenant Governor Manoj Sinha on Thursday highlighted the remarkable transformation in Jammu and Kashmir's education sector, stating that schools, colleges, and universities in the Union Territory are now functioning without any disturbances.

He asserted that the earlier practices of hartals, strikes, stone-pelting, and bandhs are now a thing of the past, and J&K is moving forward towards a prosperous and brighter future.

The Lieutenant Governor was addressing the Bharat Shiksha Summit, organized by the ■ **MORE ON P11**

## Reviews progress of Amarnath yatri niwas

**J**ammu and Kashmir Lieutenant Governor (LG) Manoj Sinha on Thursday reviewed the progress of disaster management and yatri niwas complexes, being constructed at multiple locations for Amarnath Yatra.

Chairing a meeting of Shri Amarnath ji Shrine Board (SASB), the LG reviewed the works underway at Baltal, Nunwan, Sidhra and Bijbehara, an official spokesman said.

## Earlier practice of...

Balaji Foundation at Vigyan Bhawan, New Delhi. The event was also graced by Uttar Pradesh Deputy Chief Minister Brajesh Pathak, along with several eminent educationists, policymakers, and academicians.

During his address, the Lieutenant Governor elaborated on the various educational reforms that have taken place in Jammu and Kashmir under the guidance of Prime Minister Narendra Modi. He stated that over the past few years, significant efforts have been made to ensure inclusive and quality education for all students in the region.

"The talent pool within Jammu and Kashmir is being provided with better opportunities. Dedicated efforts have been made to promote multidisciplinary learning and skill development of youth. We have also actively initiated campaigns to bring dropout students back to school," he said.

He further spoke about Mission Yuva, an initiative designed to foster an entrepreneurial culture among college and university students. The program aims to equip young minds with the skills and mindset required to become job creators rather than job seekers.

The Lieutenant Governor stressed the importance of values and ethics in education, stating that the National Education Policy (NEP) 2020 is designed to transform students into a living source of knowledge rather than just a repository of information from books.

"The NEP 2020 promotes creative imagination, ethical values, and a strong sense of determination to contribute towards building an equitable, inclusive, and pluralistic society," he said.

He urged educational institutions to focus on developing well-rounded personalities in students—individuals who are not only innovative and proficient in modern skills but also deeply connected to their roots and sensitive towards social issues.

He introduced the concept of the Three 'H'—Head, Heart, and Heritage—which, he believes, will help restore the moral fabric of the education system.

"Our students should be selfless individuals as well as skilled researchers, writers, or artists, deeply connected to their roots. This perfect balance in personality could be transformative for students, educational institutions, and society," he said.

The Lieutenant Governor emphasized that education must not only focus on technological advancements but also on ethics and values.

"Without unprecedented inventions, moral values alone will have no value. But it is also true that without ethics and values, cutting-edge education and skills would be aimless," he remarked.

He stressed that classrooms should foster conversations rather than monologues, and learning must be experiential and project-based. He called for linking innovation and growth with the ethical values of society and integrating them into the curriculum.

"The young minds should be exposed to real-world challenges. The time has come to take education out of the lab and into the real world," he said.

Highlighting the improved academic environment in J&K, the Lieutenant Governor said that gone are the days when frequent disruptions such as hartals and stone-pelting impacted education.

He pointed out that educational institutions in J&K are now functioning smoothly, without any interruptions. He credited the government's unwavering commitment to peace and development for this transformation.

"Earlier, hartals, strikes, and stone-pelting disrupted the education system in Jammu and Kashmir. But now, with stability and peace, our students are getting the opportunities they truly deserve," he stated.

## Need to move away from treating students as memory banks for degrees medals Manoj Sinha

*PTI* | Updated: April 03, 2025 18:53 IST

New Delhi, Apr 3 (PTI) We need to move away from treating students as memory banks for degrees and medals, and the new National Education Policy (NEP) is driving a shift to fostering critical thinking in classrooms, Jammu and Kashmir Lieutenant Governor, Manoj Sinha said on Thursday.

Sinha made the comments at the day-long Bharat Shiksha Summit, 2025 organised here by Balaji Foundation, a think-tank.

Leaders from across the political and educational fields came together to discuss NEP's transformative potential, focusing on its emphasis on multilingual education, innovation, and bridging the gap between industry and academia.

"India has been a centre of learning since ancient times. From Takshila to Nalanda, we have always been pioneers in education," said Sinha noting a shift in focus under the NEP, emphasising the move away from rote memorization towards fostering creativity and critical thinking in classrooms.

"We need to move away from treating students as memory banks for degrees and medals. The focus now is on conversation, innovation and empathy in the classroom," he added.

New Delhi, Apr 3 (PTI) We need to move away from treating students as memory banks for degrees and medals, and the new National Education Policy (NEP) is driving a shift to fostering critical thinking in classrooms, Jammu and Kashmir Lieutenant Governor, Manoj Sinha said on Thursday.

Sinha made the comments at the day-long Bharat Shiksha Summit, 2025 organised here by Balaji Foundation, a think-tank. Leaders from across the political and educational fields came together to discuss NEP's transformative potential, focusing on its emphasis on multilingual education, innovation, and bridging the gap between industry and academia.

"India has been a centre of learning since ancient times. From Takshila to Nalanda, we have always been pioneers in education," said Sinha noting a shift in focus under the NEP, emphasising the move away from rote memorization towards fostering creativity and critical thinking in classrooms.

"We need to move away from treating students as memory banks for degrees and medals. The focus now is on conversation, innovation and empathy in the classroom," he added.

Sinha also stressed the importance of integrating ethical values into education to build character.

"It is not enough to hear our inner voice, we must work hard to realise our potential," Sinha emphasised, quoting luminaries like Srinivasa Ramanujan, Mahatma Gandhi and Sachin Tendulkar as examples of individuals who followed their passion to success.

## Bharat Shiksha Summit 2025: Supreme Court judge JK Maheshwari calls upon NLUs to improve quality of faculty to uplift legal education

April 3, 2025 0 4

Supreme Court judge JK Maheshwari said on Thursday that the level of faculty in the national law universities should be improved to uplift the state of legal education in the country along with their standards.

Speaking at the Bharat Shiksha Summit 2025's session on Legal Education and Training: Bridging Theory and Practice, Justice Maheshwari said practical legal training should also be improved upon and revitalised. In this context, he noted that moot court competitions are held regularly and should focus on real-world cases that land up in India's courts instead of a corporate law case as is often the case with moot courts.

## Bharat Shiksha Summit 2025: Manoj Sinha drives education vision at Vigyan Bhawan

Leave a Comment / Articles / By News Desk Kashmir Ahead / April 3, 2025

Kashmir , April 3, 2025 – The Bharat Shiksha Summit 2025, organised by the Balaji Foundation, commenced today at Vigyan Bhawan, New Delhi, with a focus on deliberating critical issues in education and crafting a forward-looking education roadmap for 2025 and beyond. The summit, themed “Shaping the Future of Education,” brought together prominent leaders, policymakers, educationists, legal experts, and EdTech innovators to address challenges and explore opportunities in India’s evolving educational landscape.

The inaugural session featured a keynote address by Lok Sabha Speaker Om Birla, who emphasized the need for holistic reforms to align education with global advancements. Supreme Court Judge Justice Rajesh Bindal highlighted the urgency of revising legal education syllabi to prioritize practical training, pointing to quality gaps in the current system. Other notable speakers included Balaji Foundation Chairperson Rajshri Rai, Senior Advocate Pradeep Rai, and AICTE Chairman Prof. TG Sitharam, who underscored the role of technology and innovation in

# Classrooms Need Conversations, Not Monologues, Says LG Manoj Sinha

By KL News Network - 9:11 pm April 3, 2025

**SRINAGAR:** Lieutenant Governor Manoj Sinha today addressed the ‘Bharat Shiksha Summit’ organised by Balaji Foundation at Vigyan Bhawan, New Delhi. The event was also attended by Shri Brajesh Pathak, Deputy Chief Minister of Uttar Pradesh, along with educationists, experts, and institutional heads.

In his keynote address, Lieutenant Governor Sinha emphasised the role of ethics, values, and national identity in education, stating that they are essential for the welfare of society and nation-building. He underscored the importance of moral consciousness in students and highlighted the need for integrating life values such as compassion, peace, and harmony into their learning journey.

“The National Education Policy 2020 aims to make students a living source of knowledge rather than a mere storehouse of memorised information,” he said, adding that the policy promotes creative imagination, ethical values, and determination to build an equitable and inclusive society.

*The Bharat Shiksha Summit 2025 was inaugurated at Vigyan Bhawan, New Delhi, by Shri Om Birla, Honourable Speaker of the Lok Sabha. The high-profile event brought together a diverse mix of policymakers, academicians, educators, EdTech innovators, industry leaders, and students to deliberate on the evolving landscape of Indian education. With an emphasis on key reforms, digital transformation, and global alignment, the summit served as a platform for insightful dialogue on the future of learning in India.*

The summit commenced with an opening session that featured a keynote address by Shri Om Birla and special remarks by Justice Rajesh Bindal, Shri Pradeep Rai, Senior Advocate at the Supreme Court, Smt. Rajshri Rai, Chairperson of Balaji Foundation, and Prof. T.G. Sitharam, Chairman of the All India Council for Technical Education (AICTE).

Discussions throughout the day revolved around the National Education Policy (NEP) 2020, skill development, and the role of technology in modern classrooms. Thought leaders from government, academia, and industry shared their perspectives on the implementation of NEP and the path ahead for Indian education. The summit also addressed the need for creating a future-ready education ecosystem rooted in Indian values while embracing global innovation.

# In the educational journey, students develop consciousness and their moral values become sharper: LG Sinha

Lieutenant Governor addresses Balaji Foundation's 'Bharat Shiksha Summit' at New Delhi

4 hours ago

0 2 2 minutes read

ANB :Lieutenant Governor Shri Manoj Sinha on thursday addressed 'Bharat Shiksha Summit' organised by Balaji Foundation at Vigyan Bhawan, New Delhi. Shri Brajesh Pathak, Deputy Chief Minister, Uttar Pradesh also graced the occasion.

In his keynote address, the Lieutenant Governor highlighted the importance of Ethics, Values and National Identity in education and pointed out that Ethics and Values, guides us for the welfare of society and nation-building.

He said the deliberations and exchange of ideas during the Summit on overarching issues in education will explore challenges and opportunities and prepare a future roadmap for educational institutions.

"In the educational journey, students develop consciousness and their moral values become sharper. During this journey, students adopt life values like compassion, peace, truth, love, virtuous life, harmony and benevolence and collect all the experiences. All these physical, intellectual and emotional experiences together develop student's knowledge" the Lieutenant Governor said. According to the news agency associated News Bureau ANB, He said the aim of National Education Policy 2020 is that students should become a living source of knowledge rather than a storehouse of memories obtained from books.

"National Education Policy promotes creative imagination, ethical values and a sense of determination to contribute towards building an equitable, inclusive and pluralistic society," he further added.

The Lieutenant Governor asked the educational institutions to focus on developing personalities that are perfect blend of compassion and innovation.

JAMMU : Lieutenant Governor Shri Manoj Sinha on Thursday addressed 'Bharat Shiksha Summit' organised by Balaji Foundation at Vigyan Bhawan, New Delhi. Shri Brajesh Pathak, Deputy Chief Minister, Uttar Pradesh also graced the occasion.

In his keynote address, the Lieutenant Governor highlighted the importance of Ethics, Values and National Identity in education and pointed out that Ethics and Values, guides us for the welfare of society and nation-building.

He said the deliberations and exchange of ideas during the Summit on overarching issues in education will explore challenges and opportunities and prepare a future roadmap for educational institutions.

"In the educational journey, students develop consciousness and their moral values become sharper. During this journey, students adopt life values like compassion, peace, truth, love, virtuous life, harmony and benevolence and collect all the experiences. All these physical, intellectual and emotional experiences together develop student's knowledge" the Lieutenant Governor said.

He said the aim of National Education Policy 2020 is that students should become a living source of knowledge rather than a storehouse of memories obtained from books.

"National Education Policy promotes creative imagination, ethical values and a sense of determination to contribute towards building an equitable, inclusive and pluralistic society," he further added.

The Lieutenant Governor asked the educational institutions to focus on developing personalities that are perfect blend of compassion and innovation.

"Three 'H'- Head, Heart and Heritage- will help in this mission and they will also restore the broken moral link in the education system.

We need students who are proficient in algorithms, talented in their chosen field, sensitive towards social issues and also realise their duty towards nation building.

Our students should be a selfless individual as well as a skilled researcher, writer or artist, deeply connected to their roots. This perfect balance in personality could be transformative for students, educational institutions and the society," the Lieutenant Governor said.

Strikes, Stone-pelting no longer exist in valley: LG

The Northlines 4 Apr 2025

The Lieutenant Governor asked the educational institutions to focus on developing personalities that are perfect blend of compassion and innovation.

"Three 'H'- Head, Heart and Heritage- will help in this mission and they will also restore the broken moral link in the education system.

We need students who are proficient in algorithms, talented in their chosen field, sensitive towards social issues and also realise their duty towards nation building.

Our students should be a selfless individual as well as a skilled researcher, writer or artist, deeply connected to their roots. This perfect balance in personality could be transformative for students, educational institutions and the society," the Lieutenant Governor said.

The Lieutenant Governor emphasised that the teachers need to integrate moral values with skills needed in the modern world so that qualities like strong character and intellectual curiosity can be nurtured.

"Without unprecedented inventions, moral values alone will have no value. But it is also true that without ethics and values, cutting-edge education and skills would be aimless.

There should be conversations and not monologues in the classroom. There is a need to link innovation

and growth with the ethical values of the society and integrate them with the course curriculum," the Lieutenant Governor said.

The Lieutenant Governor further called for encouraging hands-on, experiential and project-based learning. The young minds should be exposed to challenges of the real world. Now the time has come to take education out of the lab and into the real world, he said.

During an interactive session, the Lieutenant Governor also spoke on the educational reforms taking place in J&K, under the guidance of Hon'ble Prime Minister Shri Narendra Modi, in the past few years. He said the innovative programmes launched in the UT have ensured inclusive and quality education for all.

"The talent pool within Jammu Kashmir is being provided with better opportunities. Dedicated efforts have been made to promote multidisciplinary learning, and skill development of youth. We have also actively initiated campaigns to bring dropout students back to school.

Through Mission Yuva, we have prepared a blueprint to foster entrepreneurship culture at college and university level.

Schools, colleges and universities are functioning without any disturbances. Earlier practice of hartals, strikes, stone pelting and bandhs are things of the past now. Today, J&K,

with its full potential, is moving ahead towards a prosperous and brighter future," the Lieutenant Governor said.

On the occasion, the prominent personalities and institutions are also conferred with the Bharat Shiksha Samman for their valuable contribution in the field of education.

Shri Naveen Jindal, Member of Parliament; Dr Parikaj Mittal, Secretary General, Association of Indian Universities; Ms Rajshri Rai, Chairperson, Balaji Foundation; educationists, experts, heads of various institutions, teachers and youth in large numbers were present.
